AUGUSTINE SPACE FLIGHT COMMITTEE ANNOUNCES ADDITIONAL MEETING

WASHINGTON -- The Review of U.S. Human Space Flight Plans Committee will hold a public teleconference on Thursday, Oct. 8, from approximately 1 to 2 p.m. EDT.

The only topic for discussion will be finalization of scoring of options the committee presented in their summary report on Sept. 8.

This meeting will be held by teleconference only. The teleconference will be open to the public. The service limit is approximately 300 dial-in callers. Public participants will be in a listen-only mode. The following numbers are available to hear the teleconference:

Toll-free number: 1-888-373-5705
Other number: 1-719-457-3840
Participant Passcode: 190078

The meeting must be held on this date for the committee's final report to support the time frame associated with the federal budget process. For this reason, it is not possible to accommodate the usual full public notice period. A notice in the Federal Register is expected to appear on or about Oct. 6.
